BIORHYTHM CHARACTER ANALYSIS and COMPATIBILITY is used in this newsletter. The news media says what happened, THE TRUTH tells why. Each day has its own set of biorhythm numbers. They tell our true character just as astrology does. This is much easier. To do a chart that shows the ups, downs & critical days, another set of numbers would need to be added to the personal numbers. The personal numbers tell what we are like in our hearts.

SPY PLANES AND THE TRUTH

On 5-1-60 Francis Gary Powers flew a U2 Spy Plane over Russian territory and was shot down.

United States lied & lied when Russia said this was a spy plane. It is the reverse of what is happening now (Korean Airline Massacre). Now we are saying the Russians are lying & lying. United States lied until Powers confessed. Then U.S. owned up to it.

Powers born 8-17-29

Confidence 13 (13%)	{ Personal Biorhythm Numbers
Emotional 10 (29%)	
Mental 24 (46%)	

He lacked confidence (13%) & could not stand up to pressure. He was a humanitarian (#10 emotional) who had tunnel vision. He could see only what he had his sights on. He was a martyr who needed to be heard. He was attracted to the unusual & to trouble (46% mental).

I had lived in an all white neighborhood in Chicago. We got to know when the Blacks were going to start moving in. We would see little black children walking in the neighborhood. They obviously were dropped off because it was too far from any of their homes. Is this what happened with the Plane KAL 007? Were they sending in defenseless people to see what the mood of the "enemy" was?

It is important to listen to the news carefully right after something starts. You might hear THE TRUTH squeezed in now & then in a few words. Our country is no different than other countries. If the government does not like what we are saying they will try to put a stop to it. Look what happened to Jane Fonda. She was carrying vitamin pills in her purse but she was arrested and hassled. They tried to insist she had drugs.

They knew they were not drugs but it gave them a chance to pressure her.

When Nixon first became President the Los Angeles Times lit into him heavily until the government sent some agents to "convince" them they should not do that anymore. They stopped their attacks on Nixon. We are told we have freedom of the press but do we really? Little newsletters like mine might be the only place you can find THE TRUTH.

You can order your own character analysis. See order form, page 3.

GOULET - NATIONAL ANTHEM

Robert Goulet has gotten a lot of attention by making an "error" when he sang the National Anthem. He sang "By the dawns early night" instead of light.

Goulet 11-26-33

Physical 15 (30%)	{ Personal Biorhythm Numbers
Emotional 16 (14%)	
Mental 13 (21%)	

He has a typical conman personality (all low percentages). He is a natural child who will do anything to get attention (#16 emotional). His #13 mental makes him think of original ways to get it.

When he was singing the national anthem he was getting the words off of a paper. To me it is obvious he did that on purpose, like the mischievous child he is.

If a woman is faced by a potential attacker she should pick her nose.

The low physical would be likely to buy single sheet toilet paper while the high physical would buy the double. They love to waste so they can buy more while the low physical love to save.

At some health spas they test to see where your energy level is. If you are naturally a low physical it will test low. They will assume you are doing something wrong like not living right & will try to improve your health to no avail. There are some who are naturally, low, medium or high.

if you have one like Goulet at home they will love reading about themselves. See order form, page 3.

Jimmy Connors the tennis champion says it is harder & takes longer to recuperate now that he is 31. He hopes to be able to last til he is 33 or 34.

Jimmy born 9-2-52

physical	14 (22%)	{ Personal Biorhythm numbers
emotional	21 (50%)	
mental	22 (33%)	

He has a natural low physical (22%). Low physical people gain energy from the outdoors. Jimmy is said to be a mamas boy. He is a pleaser and a combination child-adult (#21 emotional). He lacks confidence (22% physical) so would have trouble saying no. He is a martyr (33% mental) who is attracted to trouble & would wallow in his miseries.

Jimmy is the type who would be likely to get into some rotten marriage. He needs this to teach him to not let others use him & to learn to say no to the users. He is likely to fall for the common/common woman type. He is a romantic & looks at women thru rose colored glasses.

His mother is protecting him right now. He is lucky to have her. Without her he would not have hung in there so long.

REAGANS HEARING AID

All these years President Ronald Reagan thinks he has not been hearing his wife Nancy because of a hearing loss, caused by a gun shot off near his ear while filming a movie. Little did he know that has nothing to do with it. They are only 27% mentally compatible. That means what one says to the other gets distorted. Under normal circumstances this would lead to "You're not listening to me." Maybe the president does not even need a hearing aid. Nancy might insist there is something wrong with the one they gave him. They might make adjustment after adjustment but they will still not be able to hear the other. This could ruin the reputation of the one who fitted the hearing aid.

Wouldn't it be interesting to be able to make a hearing aid that changes the vibrations & tunes them into the ones we are not able to naturally hear. There would be less shouting & less frustration. That would come in handy for mates who love one another but can't hear the other.

You can order your own compatibility. See order form, page 3.

FANTASY

Leslie Uggams is a hostess on the new TV program Fantasy, where people get their wishes fulfilled.

Leslie Uggams 5-25-43

Confidence	21 (83%)	{ Personal Biorhythm Numbers
Emotional	21 (50%)	
Mental	11 (33%)	

Leslie is a pleaser (#21 emotional). She cares about people & she also needs attention for self. She has so much confidence (83%) that she is overpowering. She is likely to make the low confidence people squirm because she comes on too strong.

You can order your own character analysis or of anyone. Makes an unusual gift. See page 3.

EXECUTED FOR TREASON

Ethel & Julius Rosenberg were executed for treason on 6-19-53.

The prosecution said Ethel planned to give atomic information to the communists.

Personal biorhythm numbers

Ethel 9-28-15 - Julius 5-12-18
Confidence 2 (83%) 11 (4%)
Emotional 14 (0%) 9 (36%)
Mental 14 (15%) 14 (15%)

Ethel was the one with the confidence (83%). Julius lacked confidence (4%) & would have leaned heavily on Ethel.

Both were social-reformer-humanitarians (#14 & 9 emotional). Ethel needed a lot of attention for herself & would have done anything to get it. She has the same emotional number Jane Fonda has. In fact, she was 93% like Jane. That does not mean Jane is or was a spy. It would

be their intensity in getting things done. Where Ethel worked underground, Jane is above ground.

Ethel & Julius both were martyrs (15% mental). They were attracted to the unusual & to trouble. They were bound to do something that would cause authorities to come down on them. Martyrs do not want to be controlled but the ones who need power will see to it that they are kept under their thumb. The power people (high mental percentages) would try to make others conform but the martyrs do not want to & keep struggling to get out from under the control of others.

Julius had all low percentages. This made him a good talker just like Rev. Jerry Falwell. In fact, Julius was 80% like Falwell.

All of these people get their sights set on something so hard that they could not see anything but that. What they get set on doing might have something good about it but there could be a lot more that is bad with the idea & these people could not see that because of their tunnel vision. It is as if they put on blinders after they get the initial idea.

NUMEROLOGY - FIRST VOWEL

The first vowel has an affect on the total personality.

Positive U as in Judy, Ruth, or Hugh

This enables you to teach & write well if you heed your inner guidance.

You must keep in perspective your tendencies to be clannish, provincial, & have the desire for personal accumulation.

Receptive U as in Duncan, Butch or Buster

This has great uplifting powers if not distracted by any selfishness or secrecy or an excessive conservative ideology.

Dual U as in Quentin or Quincy

This influence can be torn between confusion or indifference toward basic concepts & being so carefree that a lack of commitment or responsibility occurs. You must work at developing & gaining balance in life and to maintain it.

For complete personality chart & yearly forecast, send full name at birth, birthdate & \$12.95 to: Vibrations Unlimited, P.O. Box 324-TRU, Gasport NY 14067.

PEN PAIS

please mention if you would accept a PEN PAL who is not of your race.

COLLINS - NEWLEY

Actress Joan Collins & singer Anthony Newley had been married & divorced.

Personal biorhythm numbers
Joan 5-23-33 * Anthony 9-24-31
Physical 18 (57%) 4 (65%)
Emotional 7 (50%) 26 (86%)
Mental 2 (88%) 15 (9%)

They are 22% physically compatible. Their physical energies are opposite (#18 & 4). They could have taken turns having headaches. Newley has a 65% physical. Many with this percentage are virgins longer than the average. Something can hold them back. It could be strict parents, a physical impairment or even being homely could do it.

They are 36% emotionally compatible. This means there is no love. For it to be love the emotional compatibility needs to be at least 64% and up.

Newley is a pleaser type (#26 emotional). He would have been flattered to have such a beautiful woman pay attention to him. Joan is a combination parent-humanitarian. She had a child by Newley. She might have been going thru a "nesting" period & wanted a home & child at that time in her life.

Joan needs to dominate (88% mental) and Anthony does not want to be controlled by anyone (9% mental. The mental percentage is not the intelligence.)

These two are overall 26% compatible. 60%

& up is good. This is a case of opposites attracting. If you feel you need to suffer or if you deserve to be punished for something or if you hate yourself, marrying someone who is not like you will give you the misery you feel you deserve.

MOTHER SUPPORTS SON

27 year old John got laid off 2 years ago & has quit looking for a job. "Why should I take a job when they pay less than I was making?" Why should he look for a job at all when his mother will let him lay around, drink all day & support him.

John born 1-7-56
confidence 11 (4%)
Emotional 3 (79%)
Mental 21 (27%)

John lacks confidence (4%). He is afraid of being rejected. He is a natural parent (#3 emotional). His home & family are the most important things in his life. He is a martyr & loves to wallow in his misery (27% mental).

John has such extremes to his personality (low confidence, high emotional, low mental percentages) that life is extremely difficult for him. It is easier to stay home where he feels like he is wrapped in a warm cocoon. Home is his natural element but the cold cruel world is not.

After 2 years it will be impossible for him to go look for a job. It might be wise if the mother looked for one for him & insist he take it even if it pays less. If he doesn't want to take just any job she should make him get out but she is too "nice" to do that.

While John is home he is able to drink. Martyrs are drawn to self-destructive things. He needs to be out in the world so he will have less opportunity to destroy himself. He needs to do something worthwhile to gain back some self-respect.

A male like this needs a strong mother not a "nice" one who lets him be weak. Nice people can sometimes make the worst parents.

WAR IN LEBANON

President Reagan has gotten us into a war in Lebanon. Reagan is a natural parent type and they are not good at foreign policies. They only know about their own home & protecting their own home.

JOIN PEN PALS - Find Mr or Ms Right.

"I think biorhythms are quicker & perhaps more accurate than astrology..." A.K. Franklin, NC

AFL-CIO PRESIDENT

A typical politician lacks confidence & needs power (high mental percentage). This combination makes them bully when they feel they are losing control of a situation. Lane Kirkland, the President of AFL-CIO has this combination.

Born 3-12-22

Confidence	14 (22%)	{ Personal Biorhythm Numbers
Emotional	9 (36%)	
Mental	0 (100%)	

Where a typical politician is a natural child type who cares only for self, Kirkland is a social-reformer-humanitarian type instead (#9 emotional). He would like to bully to stop the union workers from being thrown out of jobs. When things get bad enough, then you will see this bullying from him. He would be the type to go to "war" to prove he is a real man, rather than be called a sissy, as long as he does not have to do the fighting personally. He would send his union workers to do the fighting for him.

Order your own indepth character analysis. See order form, page 3.

Only SEXUAL BEINGS are considered worth while in the U.S. Guess that is why the old people are now having to prove they are still sexual.

RE: PEN PALS. Seems some older men want the younger women but the younger women do not ask for the older men.

WOMEN, do you get angry because he does not put the toilet seat down for you? Do you put it up for him?
